*A Catholic-Centered Community Honoring All Faiths*

---

## Sponsor a Day of Stay

# A Gift of Care... A Gesture of Love

Throughout the year, St. Anne's supplements the cost of care for multiple Residents. Will you help us by sponsoring a **Day of Stay** for a Resident who has depleted his or her assets? Your donation of \$100 will help supplement one **Day of Stay**.

### Why is the Day of Stay initiative important?

When a current Resident's funds have been exhausted, St. Anne's covers the costs of care beyond the amount that governmental assistance provides. This is done confidentially and with complete respect for the Resident's dignity.

Residents in this situation experience no difference in the high-quality services provided, nor are they made aware of the amount that is being covered by St. Anne's to supplement their care and expenses.

***365 Days to Sponsor  
and so many Residents  
to benefit from your generosity!***

Would you like to honor a family member? Celebrate the birthday of a loved one? Remember the anniversary of a beloved couple? Pay tribute to someone who has made a positive impact on your life?

Consider sponsoring a **Day of Stay** for a Resident whose funds have been depleted. Select the day or days that have special meaning to you and know that you are truly making a difference.

Your donation of \$100 will supplement one **Day of Stay**. As a special “thank you” and reminder of your generosity, you will receive a *Day of Stay* wristband for each Day donated.
